Chili bowl – advertising – promoting through Calendar, poster, city and employees. CAG members should also plug this event.

Glazing is done. Need to have a sanding party.

Trunk or treat – will promote Chili Bowl fundraiser at that Trunk or Treat event, flyers and QR codes and throwers will be present. CAG will provide throwing demo, sample bowls and candy/treats for kids.

Display case window was broken, but will be fixed.

Salt kiln - underway should be finished soon. Invoicing to come. Thank you firing and workshops will be offered to CAG.

Ware carts – in short supply – should we buy more? No, space is the biggest issue here. Brandon will let CAG know if more carts could be utilized.

Hand building mats – people are cutting on them, should we have guidelines for use or provide new ones? They are not a big money item and can be replaced if they are damaged.

Brandon plans to reinforce the wood tables over the winter break.

General Updates

Disaster relief donation sites – Pat felt important to share just a class offering to benefit disaster relief efforts, which was proven safe. Didn't want to get caught up in any scams.

Mirror – could we install a mirror above the teacher's wheel to help see demos better? Or maybe a document camera? Discussion happened with no clear change decided upon.

Finance – up to about 95% membership. Didn't have a Q1 sale, so less money for that reason.

Talk of newsletter was tabled for the next time

Meals on wheels – 127 pieces donated.

HHS – CAG for the kids room, two hour works shifts.
