

CAG Meeting Oct, 2025

Attendees: Mary-Leigh Miller, Mona Moxley, Erika Goldstein, Kathy Nicholson, Barbara Moreland, Bette Sindzinski, Bridget Moar, Brandon Lipe, Julie Dandliker

Updates from Brandon

We are busy – busiest part of the year

Friday closed for trunk or treat.

HHS is coming up. There are non-computer savvy vendors needing extra help. Kids' room will close an hour early on Sunday for a cleanup.

Chili bowls – many have been glazed. Will advertised to request more to be glazed. 14 people selling and CAG members volunteering. 21 tickets sold so far. Pat will buy sour cream, cheese and onions.

Ice rink – they are switching the generator and entrance locations. This will greatly reduce the noise right outside the entrance to the studio.

Safety class – offered to monitors occurring Wednesday, October 22.

QR code for community arts requested to be taped at the front door for people coming in off the street.

CAG collection (Brad and Robin) – For installing new lights, Brad would do all of the work for free. CAG just covers the cost of the lights. It is over budget for Studio enhancements. We voted to add to the budget or just exceed budget. We bought carts and a wheel, so we are already over budget. Our fiscal year runs through June. Can the city get better price on lights? Do we need to have a licensed electrician?

Motion to increase budget by \$2500 for Studio enhancement budget. All approved.

January 10 – reopening event. This will be the studio cleanup day, followed by the January 10 reopening. Michael will provide the food.

Update from Kathy Nicholson – photos are all on the website – easier to download from the website than to recover from the Apple computer. Kathy may want people to help design the new website.

Chili bowl sale - work shifts have been sent off. Sellers can set up their tables on Friday or Sat morning.

HHS has 30 CAG members

Budget – in decent shape. Over budget on Studio enhancements. We have 136 members currently so we are under our budget estimate by \$300 in that category.

Meals on Wheels (Barbara) 304 pieces donated, so we are good for the year. It's the most we have ever donated.
